MATERIAL OPTIONS

CAD-CUT® Patterns are available in several material options to give you even more creative and application flexibility. Choose from Express Print® or Glitter when decorating apparel and accessories, or create banners, signs, and even patterned decals with ORAJET® 3164 P.S. Sign Vinyl.

Patterns are also available in Sublimation Transfers. Add lightweight and vibrant designs to polyester face masks, mousepads, phone cases, headbands, and more in one easy step.

EXCITING PATTERNS WITH ARTIST COLLABORATIONS

With artist collaborations we offer customizable, on trend patterns from three collections: Realtree®, Spectra® and the STAHL'S Creative Studio. With new patterns added often, you'll always have fresh, original art to flex your creative muscle.

EMBROIDERY

CAD-CUT® Patterns pair beautifully with our Rip-Away Appliqué™ Process. Give your appliqué a new and custom look with your existing equipment.
